

**Clifford Township Subdivision and Land Development Ordinance
Proposed Amendment**

BE IT ORDAINED by the Clifford Township, Susquehanna County, Pennsylvania, that the Clifford Township Subdivision and Land Development Ordinance be amended so as to revise §100-37.A(2) to read as follows:

- (2) Commercial and industrial lots shall be of sufficient area, width and depth to accommodate the proposed land use and all required improvements. No commercial or industrial lot, though, shall be less than 87,120 square feet in size or the minimum lot size provided for residential uses in §100-25.C(1) and Table IV-1, whichever shall be greater.*
