

Agenda
Clifford Township Planning Commission
April 11, 2023

Approval of February Minutes. There was no meeting in March due to bad weather.

Old Business

Curico Subdivision update. There have been some delays in getting signatures.

New Business

Mike Rinaldi is a surveyor representing the Debish family on SR 247 for a lot line adjustment. He will present the application. If all required parts of the application are complete, we can vote to send to county for review and comment.

Brad and Mary Ann Coleman want to change their home at 403 Lake Blvd on Lake Idlewild. They have submitted some building plans. They are on two small lots and we need to review their plans for setbacks, septic, etc. They will be attending the meeting so we can ask them some questions and clarify any issues. I will be emailing a summary of small building lots setbacks, etc. separately.
