Planning Commission Discussion on Zoning

The Planning Commission continued its discussions to consider zoning for Clifford Township. The zoning idea was first presented to the Supervisors at the July Supervisors meeting by Bob Clementoni. There is a lot they and the Planning Commission do not know about zoning. Getting the Planning Commission, the supervisors and the public educated on zoning is next. All felt that initially this education process should be only for the Planning Commission. The Planning Commission needs to work with the Supervisors to get a consultant hired.

Motion to adjourn at 6:46 PM by Bob Clementoni and second by Sally Roberts. All were in favor.

Respectfully submitted:

Robert Schreiber

Secretary
