

Clifford Township Parks & Recreation Board Meeting Minutes June 28, 2017

Present: Jen Long, Tom Roberts, Bob Lopatofsky, Buzz Boomer

Absent: Patti Walker

May minutes were approved.

Discussion about how to handle distribution of paper products in the new bathrooms took place, especially during baseball season. The baseball league held a tournament at the complex recently and the participating teams complimented the park and its facilities. Adding a new field, to be maintained and installed by the baseball league, was discussed. Questions arose about making it usable for softball as well. No decisions were made.

Three additional bids were received for the Multi-Purpose Court installation, still exceeding the costs that were anticipated. Completion must be done by 12/2018. The township is not certain how they will proceed with this project at this time.

The township has applied for permits to work on the stream. Water needs to be diverted through certain areas to minimize wash out.

The new walking trail has been installed.

The permit for the driveway to allow for access to the park complex from the back of the property has been received. The tree was removed on Church Street where the driveway would be installed. The township has 1 year to install.

The child care center has installed a fence around its back door to allow for outdoor play by the children.

Temporary air conditioners have been installed. The township is considering installation of a building unit in the future.

A new volleyball net will be installed in the gym.

The meeting was adjourned at 8:01pm.

Next meeting is July 26, 2017 at 7pm.

Respectfully submitted by Jennifer Long
